Rhapsody Resort continues to monitor the current Covid-19 health pandemic and will adhere to the most recent restrictions and guidelines issued by the Australian and Queensland Government.

The current Covid-19 guidelines issued by the Queensland Government affecting the South East Region (Gold Coast) require commercial venues such as Rhapsody Resort to meet the following Covid-19 framework:

As per current Federal and Queensland guidelines, social distancing practices and maximum capacities are in place. This will be revised and remain in accordance with the most current restrictions.
